## What We Do...

Rides Mass Transit District is a federally funded PUBLIC transportation system. Service is available to ANYONE needing transportation. Rides provides door to door and established route service. The fleet consists of lift-equipped and ramped vehicles making the system fully accessible.

In addition to our local residential and in district scheduled route services, Rides schedules out of district trips to enable passenger access to major medical facilities, shopping centers, employment sites and educational centers throughout Illinois, and in our neighboring states of Indiana, Kentucky, and Missouri.

Rides Mass Transit provides comprehensive service to many destinations at times when most people travel. On occasion a customer may require transportation that's not a normal destination for Rides and a special trip may be needed. Please check with a Rides representative for more information and a fare quote.

## How To Use RMTD...

  - C) what time you need to be picked up,
  - D) if you need a return trip
