

FARES & PASSES

Fixed Route Service

RMTD offers fixed route service in some of its communities. Visit ridesmtd.com for more information regarding fixed route service and how to track buses real-time. Download **Rides MTD GO** to track and view our fixed routes on your mobile device.

Passenger Items

Passengers are responsible for getting their packages from the vehicle to their home or building. Passengers are allowed to carry on only as many bags and items they can safely carry onto the vehicle in a single trip. Items must not be stored in the aisle of the vehicle and cannot block any windows.

Demand Response Service

RMTD provides door-to-door access across its service area. Download **Book It by Rides MTD** to schedule door-to-door requests or contact your local Operation Center to learn more.

Companions/Personal Care Attendants

One personal care attendant or companion is eligible to travel with an eligible rider at no charge.

Seat Belt

It is the policy of RMTD that all passengers sitting in the front seat must wear seat belts when riding a bus equipped with them. RMTD defines the front seat as any seat without a secured vehicle seat directly in front of it. Passengers, including passengers using a mobility device, seated in a front seat of a vehicle equipped with seat belts who do not wish to use the seat belt will be asked to sign a form documenting they do not want to wear a seat belt and understand and assume the risk involved with that decision.
